CHOOSE TRACTEL®

TRACTEL® PROVIDES A COMPLETE RANGE OF 150 KG PPE WHICH COMPLIES WITH EUROPEAN REGULATIONS.

ANCHORAGE + FALL ARRESTER + HARNESS

STRONG.
RIGHT DOWN THE LINE

Tractel® offers a complete "HIGH CAPACITY RANGE 150 Kg" of PPE including anchoring, fall arrester, and harness solutions tested according to European specifications CNB/P/11.062 (for more of 100 kg) and CNB/P/11.060 (for horizontal/ terrace use). 150 Kg corresponds to the user weight with its equipment and tools. The weakest element in the line always determines the maximum resistance for the entire system.
